

## **2023 All In For Women Award Application**

**The Maricopa Chapter of the Arizona Women Lawyers Association continues to recognize legal organizations that further the mission of AWLA in a variety of ways with its annual *All In For Women Award*.**

The mission of AWLA is to promote, and encourage the success of, women lawyers throughout the State of Arizona. The success of women lawyers in Arizona requires continued, intentional effort and commitment in law firms of all sizes, within the government, and throughout in-house legal departments. AWLA recognizes this effort and commitment by bestowing the *All In For Women Award* across all types of legal organizations.

### **There are 2 Ways to Win!**

#### **For your nomination, describe how your organization embodies the mission of AWLA.**

- (1) Doing so comes in a variety of ways. For legal organizations comprised of two or more attorneys, this may mean having all female attorneys as members of our organization.
- (2) Additionally, it may be providing women attorneys with certain information and support, fostering connections among women lawyers, or monitoring and celebrating their successes. For example:
  - Promotion of women attorneys to Shareholder, Managing Partner, or other firm leadership positions
  - Policies and procedures that encourage and foster women participation in management
  - Recruitment and retention programs for women attorneys
  - Mentorship and sponsorship programs
  - Parental leave and family support programs
  - Part-time and flexible schedules
  - Support of judicial applications and leadership applications for Boards

**We highly encourage applicants from the government, in-house legal departments, and solo practitioners. The way you or your organization further the AWLA mission may look different. Tell us about it!**

## 2023 All In For Women Award Application

**Please submit this application to [Alexis@CarpenterHazlewood.com](mailto:Alexis@CarpenterHazlewood.com) by 5:00p.m. on Monday September 11, 2023.**
